The Purpose of Sea Scouts

Sea Scouting has promoted better citizenship for over 100 years through improved boating skills and knowledge through instruction and practice in water safety, boating skills, outdoor, social, and service experiences, and knowledge of our maritime heritage.

The Sea Scout Program

Sea Scout units— called ships- are established across the country on oceans, bays, rivers, and lakes. They provide limitless opportunities and exciting challenges that you won't find anywhere else. Sea Scouts is a place to grow and learn, find adventure, and build long lasting friendships.
