

Banff Academy

Boat building and St Ayles skiff Coastal Rowing

Banff Academy has been offering Boat building as a timetable subject on the school's curriculum for 3 years. The programme is open to all of the senior years (ages 15-17 years). This year there are currently two classes who are both working to build our second St Ayles skiff that will be launched at this year's Scottish Traditional Boat Festival on the 23rd of June 2017. Arising from this programme was the development of the Deveron Coastal Rowing Club. This club has offered a new and interesting sport to Academy pupils, staff and members of the community.
