

Ballard Maritime Academy

A learning community within Ballard High School

The Ballard Maritime Academy is a collaboration between the Youth Maritime Training Association, local maritime industry, and marine-related educational institutions. Academy students enroll in college-prep, interdisciplinary marine science, technical education and liberal arts courses.

We are specialized program within Ballard High School in Seattle. Academy students stay together with a cohort of classmates for part of their day, taking maritime-specific courses as well as their general education requirements.

Program Statistics (Annually):
