Moth Boat Building Program

Maritime Ministries, Inc. I am coming to look at the feasibility of developing a building program where youth and families can build classic Moth boat dinghies together. Elizabeth City, NC has a long history of Moth boat racing, and I'd like to explore the possibilities of resurrecting that...particularly in terms of developing collaborative relationships with other community partners such as Museum of the Albemarle, Arts of the Albemarle, Boys and Girls Clubs, etc. While I say I am in "just the exploratory phase," I am progressing into the "what-would-it-take-to-create-the-actual-school" phase...
